

Website for San Antonio Airport Parking for DV

Date: Wednesday, March 12, 2025 at 10:19 AM CDT

Thank You For Your Service

Vehicles displaying Texas license plates issued by the Texas Department of Motor Vehicles, having a Disabled Veteran (DV) or eligible Meritorious Military Honors designation may receive complimentary parking. **Restrictions and limitations apply.**

We understand that many Disabled Veterans choose to retire in San Antonio and as "Military City", we want to show our support by making parking at the airport easier than ever.

Drive In - Park - Drive Out

With our new Metropolis Technology, simply drive in through the entrance gate, proceed to park, and drive out, exiting with a cashier lane when you're ready.

As a disabled veteran with Texas issued DV license plates, **you are eligible to receive free parking. Please exit through a cashier lane to redeem.**

RESTRICTIONS:

- Authorized Disabled Veterans are entitled up to 30 days of complimentary parking.
- Disabled Veterans should not procure a reservation as the parking. reservation system requires payment in advance and refunds are not issued.
- Disabled Veteran Complimentary Parking is not applicable to valet services.

REQUIREMENTS:

- DV must be the owner and must be present at time of validation.
- Vehicle must have permanently affixed license plate with approved DV or specialty plate.
- Valid driver's license or Military ID card.
- Copy of the current vehicle registration renewal receipt.
- Completed Parking Validation Form.
- Thank you for reaching out to us at San Antonio International Airport parking services.
-
- 1. It will make it easier if you register before you arrive at the airport, that way you can ignore the QR codes you see in the garages and lots. You can do so here:
<https://app.metropolis.io/sign-in>
- 2. Once you make an account, you can add multiple vehicles. Please make sure you input the license plate correctly or this will cause issues further down.
- 3. You can find the parking validation form here:
<https://www.flysatparking.com/wp-content/uploads/2024/08/SAT-Parking-Validation-Form.pdf>
- 4. When you sign up for a Metropolis account, you have to put a credit card on file. Once your account is created, you can remove the card. Please keep in mind, Metropolis owns other parking lots and garages, not just the ones at SAT so it's likely you will need to have a card on file for other public parking.
